UDC

Pr EE

Standards Association of New Zealand

## COMMITTEE REPRESENTATION

This Standard was prepared under the supervision of the SANZ Mechanical, Electrical and General (MEG) Divisional Committee (50/-) for the Standards Council, established under the Standards Act 1988.

The committee consisted of representatives of the following:

- \*Accident Compensation Corporation
- Department of Scientific and Industrial Research
- Electrical Development Association
- Electrical Supply Association
- Institution of Professional Engineers New Zealand
- Ministry of Energy
- \*Ministry of Transport
- National Council of Women
- New Zealand Manufacturers' Federation
- Telecom Corporation

The High Level Stop Light Committee (P 5461A) was responsible for the preparation of this Standard and consisted of representatives of the following organizations in addition to those marked with an asterisk (\*) above:

New Zealand Automobile Association  
New Zealand Automotive Component Manufacturers' Association  
New Zealand Motor Vehicle Manufacturers' Association

## ACKNOWLEDGEMENT

The funding assistance provided by the Ministry of Transport towards the preparation of this Standard is gratefully acknowledged.
